

NYSL Mobile Web Application UI

Situations

- 1: Bob is a volunteer parent, he needs to know where is the next match, so he opens the NYSL app and goes to the schedule to see it rapidly.
- 2: Chris wants to know how much time does he has to train before the next match, he opens the app and goes to the calendar to see it.
- 3: Leandri wants to know which team they are playing today, so he opens the app and goes to his match to see it.
